READY, SET, RECOVER

Settlement Opportunities account for billions of dollars in available funds on an annual basis. MCAG specializes in settlement assistance in the following areas:

- **Product Anti-Competition** (e.g., manufacturers engaged in antitrust, price-fixing, etc.)
- **Healthcare** (e.g., insurance claims were not paid correctly)
- **Pharmaceutical** (e.g., an organization overpaid for drugs purchased on behalf of its employees)
- **Financial** (e.g., merchants overpaid interchange fees, financial markets were manipulated by large banks)
