

## 2019 Distinguished Service Award Nomination Form

The Indiana Hospital Association recognizes outstanding personal achievement in support of the humanitarian and management goals of Indiana health care institutions.

The 2019 IHA Awards Committee is seeking nominations for the Association's *Distinguished Service Award*. Nominations may be made by anyone affiliated with an IHA member organization.

### ***Distinguished Service Award***

**Purpose:** To recognize outstanding contributions of Indiana chief executive officers, top administrators, or executives, to their communities, their profession, and to the health care field.

**Criteria:** The recipient must meet the following criteria:

- is the chief executive officer, top administrator, or executive within any organizational structure of an IHA member hospital
- has contributed to the advancement of high quality, efficient health care services in an Indiana community
- has attained a high level of proficiency and demonstrated competence in health care administration
- has demonstrated a serious commitment to furthering the profession of health care administration
- has made significant contributions to the advancement of health care at the state or national levels

In addition to the above rules, the following also apply to the Distinguished Service Award:

1. Nominees must be chief executive officers, top administrators, or other executives within any organizational structure of IHA members.
2. Nominators must submit the Distinguished Service Award Nomination Form, using additional sheets as needed. Written supplemental information such as a curriculum vitae, published articles, newspaper clippings and endorsements will be considered if they support and clarify the nominee's achievements. Please do not submit video presentations.
