### Current and Proposed CMS Quality Measures for Reporting in 2019 through 2024 Revised 8/26/2019

For **FY 2020 payment determination** hospitals will be <u>required</u> to report on at least 4 electronic clinical quality measures from the available electronic <u>inpatient</u> clinical quality measures to meet the requirements of the Hospital IQR Program. Hospitals <u>must submit data electronically for 1 self-selected quarter of 2018 by February 28, 2019</u>. Meeting this requirement for the HIQRP will also meet the CMS Promoting Interoperability Program's requirement for eCQM reporting.

For **FY 2021 payment determination** hospitals will be <u>required</u> to report on at least 4 electronic clinical quality measures from the available electronic <u>inpatient</u> clinical quality measures to meet the requirements of the Hospital IQR Program. Hospitals <u>must submit data electronically for 1 self-selected quarter of 2019 by February 28, 2020. Meeting this requirement for the HIQRP will also meet the CMS Promoting Interoperability Program's requirement for eCQM reporting</u>

For **FY 2022 payment determination** hospitals will be <u>required</u> to report on at least 4 electronic clinical quality measures from the available electronic <u>inpatient</u> clinical quality measures to meet the requirements of the Hospital IQR Program. Hospitals <u>must submit data electronically for 1 self-selected quarter of 2020 by February 28, 2021</u>. Meeting this requirement for the HIQRP will also meet the CMS Promoting Interoperability Program's requirement for eCQM reporting

For **FY 2023 payment determination** hospitals will be <u>required</u> to report on at least 4 electronic clinical quality measures from the available electronic <u>inpatient</u> clinical quality measures to meet the requirements of the Hospital IQR Program. Hospitals <u>must submit data electronically for 1 self-selected quarter of 2021 by February 28, 2022</u>. Meeting this requirement for the HIQRP will also meet the CMS Promoting Interoperability Program's requirement for eCQM reporting

For **FY 2024 payment determination** hospitals will be <u>required</u> to report on the Safe Use of Opioid – Concurrent Prescribing eCQM and an additional 3 self-selected eCQMs from the available electronic <u>inpatient</u> clinical quality measures to meet the requirements of the Hospital IQR Program. Hospitals <u>must submit data electronically for 1 self-selected quarter of 2022 by February 28, 2023</u>. Meeting this requirement for the HIQRP will also meet the CMS Promoting Interoperability Program's requirement for eCQM reporting
